CLUB STATEMENT

A SUMMER OF EMOTIONS.... This is how all Hamrunizi refer to our incredible UEFA Conference League Campaign, which have seen us reach the 4th Round Play Off Stage. A first for a Maltese Club to reach such a level.

We feel that as a Club we should officially express our heartfelt gratitude towards several stakeholders, who contributed for such an unprecedented and historic achievement in Maltese Football as follows:

- All Players, Coaches, Technical, Training and Medical Staff for their outstanding performance.
- Club Administrative, Logistics and Operations structures for their professional and efficient organisation where we visited four European Cities and played four home matches in a span of eight weeks.
- MFA collaboration for all Match Venues and Ancillary Activities during our four home matches.
- Police Force for their co-operation and the Local Media for their national and international on-line and TV exposure and coverage
- Last but not least our loyal supporters who accompanied us with their unwavering and relentless support in all the eight home and away matches. They were truly our 12th player on the pitch and contributed in no small way to this success

Finally, I would mention our President, without whom all this would not have been possible.
